

Product computer case

M/B support mini ITX

Color black

IX-01B – this tiny case can be operated both in a horizontal or vertical position, offering great flexibility and connectivity. It combines the compact dimensions of a Mini-ITX case with the comfort of a fully loaded PC, with many economical and low-priced components being available. It enables you to build a system with any configuration you are aiming to achieve at reasonable pricing. Additionally this case also has two storage bays for two regular size 2.5" HDDs/SSDs
