MM731

MM-731-KKOH1/MM-731-WWOH1

## LIGHTSPEED RESPONSIVENESS

The MM731 retains the innovative spirit of Cooler Master while maintaining the familiar aesthetic of classic gaming mice. Each pro-grade feature is intended to give you lightspeed responsiveness in the blink of an eye: genuine PTFE feet for unrivaled glide, hybrid 2.4GHz/Bluetooth wireless for supreme versatility, adjustable 19,000 DPI optical sensor, and optical micro switches for superior durability and input. With all of that housed in a super-lightweight, revolutionary new ergonomic shell design that reduces the weight to 59g, the MM731 truly is less than the sum of its parts.

## FEATURES

- **Hybrid Wireless Tech** - Choose from wired mode, 2.4GHz wireless, or Bluetooth 5.1 to connect multiple devices
- **Striking New Lightweight Design** - Mouse weighs in at 59g without having to resort to exterior holes that compromise on aesthetics.
- **Ergonomic Construction** - Classic gaming mouse shape, optimized for right-handed gamers
- **Gaming Grade Sensor** - Adapt to your game or playstyle with optical sensor adjustable up to 19,000 DPI
- **Optical Micro Switch** - Optical inputs provide durability of up to 70 million clicks and near-instantaneous inputs compared to mechanical switches
- **RGB Illumination** - Give your victories some flashy good looks with lighting
- **Upgrade Mouse Feet**- New-and-improved feet made with PTFE material for low friction and high durability, which provides a smooth, fast glide with maximum responsiveness.
- **Limitless Customization** - New, improved software allows you to remap controls, customize your RGBs, tune your macros and more
