

Product computer case

M/B support mini ITX

Color black

BT-02B-U3 – The BT-02B-U3 is currently the smallest and most compact chassis in CHIEFTEC's product portfolio. Despite the mini ITX form factor, the standard components (eg. ODD, Add-On Cards, etc.) can be used for installation to save cost. A 250W SFX Silent PSU is included in the price.
