

UC310 USB FLASH DRIVE

FAST TRANSFER WITH CAPLESS SWIVEL

UC310 Type-A USB Flash Drive

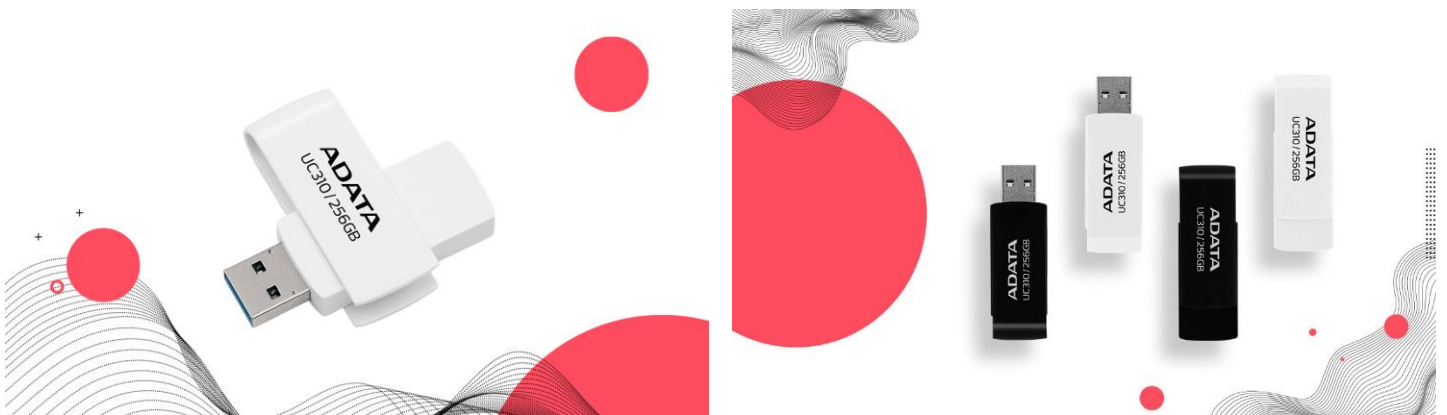

With the portable UC310's capless swivel design, you never need to worry about losing a cap. Its simple shape and versatile black and white colors fit a range of styles. Equipped with an USB 3.2 Gen1 transmission interface, it supports a variety of devices, is easy to use, and lets you transfer files with peace of mind.

Capless Swivel Design

A capless swivel conveniently exposes the USB interface with a simple turn. In addition to being dustproof, users no longer need to worry about misplacing a protective cap.

Stylish and Portable

Choose your favorite color! The UC310 is available in a number of colors and its minimalistic shape lets you show off your personal taste and style.

Fast Transfers - No More Waiting Around

Thanks to USB 3.2 Gen 1, the UC310 delivers data in up to 5Gbps for convenience and efficiency from one super-compact device via simple plug n play. It's also backward compatible with USB 2.0.

All the Space You Need

Does your storage device have enough space? The UC310 does! It's got enough for your 4K video and more with up to 256GB capacity. You won't need to worry about capacity anymore when archiving and editing videos and photos.

Features

- Convenient capless swivel
- Simple, stylish, lightweight, and portable
- Fast and hassle-free file transfer
- Capacities up to 256GB
