

Product Highlights:

- Fingerprint authentication² provides an extra layer of security for confidential files
- Save up to 10 different fingerprints
- Ultra-fast recognition – less than 1 second
- Up to 400MB/s read, 350MB/s write speeds¹
- 256-bit AES encryption also protects your files
- Striking design with durable metal body

Capacities:

256GB

128GB

64GB

Extra security for confidential files

The Lexar JumpDrive® Fingerprint F35 PRO USB drive takes security to the next level. Access files on the drive with fingerprint authentication.² With up to ten different fingerprint IDs, all of your closest collaborators will have easy, secure access to the files they need. Plus, with up to 400MB/s read and 350MB/s write speeds¹, you'll have the performance you need to quickly transfer files when needed.

Access files with the touch of a finger. The Lexar JumpDrive® Fingerprint F35 PRO USB drive uses your fingerprint to authenticate access to your files.² No passwords or codes to remember.

Save up to ten fingerprint IDs. You can save up to ten different fingerprints² to your drive. So you can add your family, partners, or business collaborators.

Ultra-fast access. The Lexar JumpDrive Fingerprint F35 PRO USB drive's technology recognizes your fingerprint ID in less than 1 second, giving you almost instant access².

High-speed 3.2 Gen 1 performance. With up to 400MB/s read and 350MB/s write speeds¹, you can store and transfer content fast.

Striking, durable design. A stylish metal design and a protective slider help protect your data by keeping the connector and contents safe.

Rigorously tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

Lexar Retail Sku	Capacity	Region	Single UPC Code	Inner Carton UPC Code	Inner Carton Qty
LJDF35P256G-RNBNG	256GB	Global	843367127481	10843367127488	10
LJDF35P128G-RNBNG	128GB		843367127474	10843367127471	
LJDF35P064G-RNBNG	64GB		843367127467	10843367127464	

¹ Up to 400MB/s read transfer; write speeds lower. Speeds based on internal testing. Actual performance may vary depending on the host devices, interface, usage conditions and other factors.

² Fingerprint registration software required to create/edit accounts and adjust partition size. Fingerprint management application is compatible with Windows and Mac. Regular flash drive use compatible with Windows, Linux, and macOS.

Security safeguards, by their nature, are capable of circumvention. Lexar does not guarantee data will be 100% secure from unauthorized access, alteration, or destruction.

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes.

The latest USB driver is recommended for best performance. Contact your device manufacturer to ensure compatibility before installing. Lexar is not liable for any loss of data or images.
