

Eaton Protection Strip

Eaton Protection Strip range

Affordable protection for:

- Computers, NAS, peripherals
- TV, Video, Hi-Fi equipment, Home cinema, etc...
- Internet gateways
- Gaming console
- Household goods, etc...

Surge protection

- Eaton Protection Strip is an affordable multi outlet surge protection device for sensitive equipment in residential or professional environment.

Complete protection

- Thanks to the **3 Line Protection** technology (securing all 3 wires Line / Neutral / Ground), Eaton Protection Strip is fully effective against all type of perturbations.
- 10A circuit breaker protects the installation from overload.
- LED indicator provides information about surge protection status.
- Tel@ model integrates Tel/Internet xDSL line protection.

Warranty for connected equipment

- Eaton offers free warranty for connected equipment, (applicable in EU countries and Norway only). The purchase price includes this guarantee for entire Protection Strip range (up to 20 000€ for 6 socket models), covering damage due to the surge protection failure.

EATON

Powering Business Worldwide
